**Sentire e Meditare Onlife (Italian Edition)** Michele Farinelly

Onlife Meditation - Esenziale è un modo di essere nella vita di tutti i giorni, la vita ordinaria, semplice; alzarsi al mattino, fare colazione, il lavoro, la spesa al supermercato, il traffico in città, cucinare, lavare i vestiti, stirare, pulire la casa, incontrare una persona cara, gioire, rattristarsi, piangere, ridere, essere in forma o non esserlo affatto, essere nella salute o essere nella malattia, ... vivere il presente che la vita ci presenta, nel luogo esatto in cui ci troviamo in quel preciso istante, focalizzando l'attenzione su azioni e stati d'animo interiori. Sentire e Meditare, è frutto del progetto Onlife Meditation - Esenziale, trasmutazione alchemica del pensiero, che condensandosi, si trasforma in scrittura. In tutto questo "sentire" - del e nel quotidiano - cerco di esprimere il mio Sé spirituale che attinge alla fonte dell'Eterna Saggezza, musa del mio personale percorso di crescita.
